Conclusion:

Everyone in your group will write their own conclusion – DO NOT COPY word for word from someone else. Conclusions can be SIMILAR – but will not be exact.

1<sup>st</sup> paragraph – Summarize the case details.

2<sup>nd</sup> paragraph – Summarize what a soil profile is and how it is used to solve crimes.

3<sup>rd</sup> paragraph - Explain what you found in the lab. Where was Mr. Berkley killed and how do you know based on your lab.
